The Board operates under the committee system to approve educational programs, new construction projects, and employ the necessary personnel to effectively operate the school system. Mrs. Betsy Faucette is chairman of the Administration Committee and Mr. Chester Cowan, Jr. is co-chairman. Mr. Jack E. Brymer, Sr. is chairman of the Support Operations Committee and Mr. Bill Mewbourne is co-chairman. The president of the School Board, Mrs. Robert W. Coach's Comments:

Our coaching staff is very proud of our 1980 Green Wave. This team set goals, then sacrificed and worked toward these goals. Their record speaks for itself. They are a most enjoyable and coachable group of young men who should go far in life. They upheld our tradition with class and good sportsmanship.

Coach Campbell

SEASON REVIEW

For its season opener the Greenies took on one of its oldest rivals, the Pell City Panthers. The Panthers dominated the first half scoring 14 points. Leeds scored once with Robert Williams to end the half. The Greenies showed great maturity during the second half by scoring two touchdowns, one by Larry Shell and a pass from Glenn Jackson to Benji Cheaves. The final score was 21 to 14. The Greenies left the field victorious over a team they had not played in over 20 years.

In the second game of the year, Leeds was defeated by an inspired Hewitt Trussville team. The Huskies scored first, but the point after was no good. The Greenies scored on a pass from Jackson to Nelms. The Huskies retaliated with a field goal to end the first half. Neither team could mount any offense during the second half. The Greenies had two apparent touchdowns, but both were nullified due to penalties. Leeds lost its first game of the season by a score of 9 to 7.

Leeds took on the St. Clair Saints for their third game of the season. The first half was a defensive effort with the Greenies scoring only 6 points. In the second half Leeds exploded scoring 30 points. There were two touchdowns scored in the 3rd quarter, one by Williams and the other by Shell. Both were followed by a successful two point conversion. With most of the second team in, Leeds rattled off two more touchdowns, another by Shell and one by freshman Glenn Hannah. The Greenies recorded their first shut out and their second victory, defeating St. Clair 36-0.

With the season well under way, the Greenies manhandled the Pinson Indians. Leeds ran up 6 points on a scoring drive by Shell. Behind great blocking, Williams sprinted 44 yards for Leeds' second touchdown to end the half. Leeds came back in the second half with Shell scoring the third TD. Pinson bounced back scoring on a 51 yard drive. The rest of the game was in the Greenies favor. Jackson kicked a field goal. Williams scored from 8 yards out, and Vic Campbell shot up the middel 49 yards for the last touchdown of the game.

The Greenies took on its fifth opponent of the yeard, the Tarrant Wildcats. Leeds, coming in this game the underdog, scored two touchdowns, both by Williams in the first half. Leeds went into the locker room ahead 14-0. Tarrant came in the second half with the ball, and three plays later Campbell intercepted and went in for the score. After a Leeds fumble, Tarrant scored for their only TD of the game. The Greenies came back and scored once more on a 3 yard plung by Williams. The final score was 28-6.

Leeds, in its third straight Region game, took on the Fultondale Wildcats.

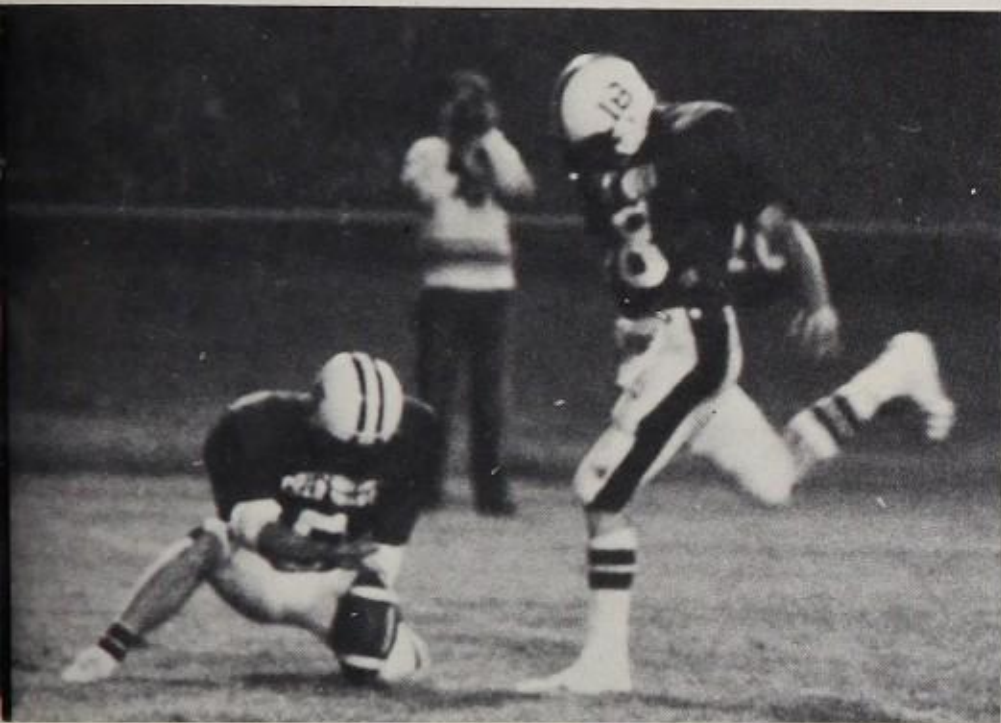

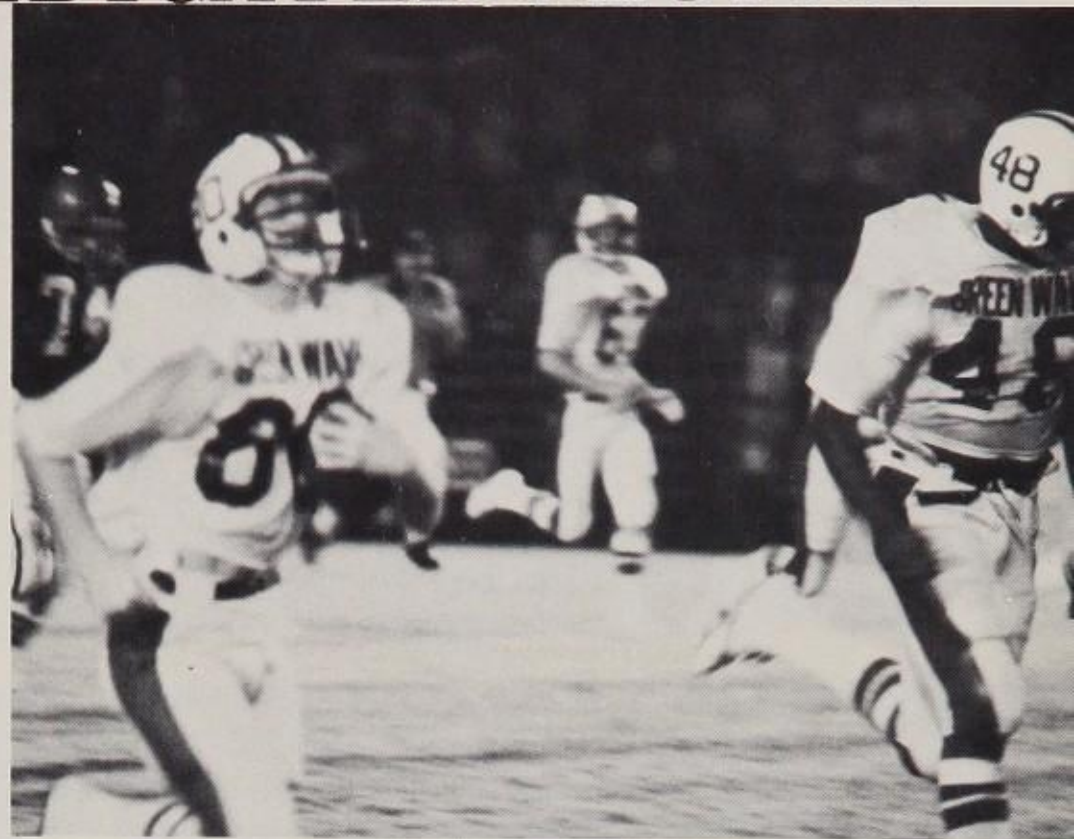

This was both an offensive and defensive show for the Greenies. The defensive, lead by Doug Hayes, Bubba Tatum and Johnny Molloy, recorded its second shut out of the year.

Offensively the Greenies racked up 28 points behind a massive offensive line composed of Steve Hannah, Jeff Davis, Ronnie Smith, Mark Harry and Robby Franklin. After this victory Leeds moved up to the Number one spot in Region 10 standings.

DEDICATED PEOPLE

In the seventh game of the season, Leeds devastated the Mortimer Jordan Blue Devils. The Blue Devils never threatened the Green Wave defense through the entire game. Glenn Hannah took the opening kickoff, followed a few well placed blockers, and raced 90 yards for the first TD.

The Greenie offense accumulated 30 total points before the end of the first half. The Green Wave came back in the second half playing everyone on the entire team. They still managed to score 14 more points and maintain their shutout by a score of 44-0.

The Green Wave took on the Oxford Yellow Jackets for our Homecoming. The Greenies got off to a bad start when Jackson's punt was blocked out of the end zone for a safety. It was a defensive struggle throughout the first periods of play. The Green Wave capitalized on a Jacket fumble by kicking a field goal with only seconds left in the first half.

Leeds came back in the second half and moved the ball well. Although they did not score, they used valuable time on the clock. Leeds won its first Homecoming in several years by a score of 3-2.

Leeds looked impressive against the John Carroll Cavaliers, scoring on the first play from scrimmage on a pass from Jackson to Anderson. The Cavaliers, however, responded with 7 points of their own. At the end of the half, Carroll went in with a one point lead. Coming back in the second half, the Greenies could mount no offense as the Cavaliers added 7 more points to their score.

This game was played for the Region 10 Championship and a chance at the State Championship. However, Leeds fell in defeat to Carroll 14 to 6 and ended their season with a 7 and 3 record.

DENTAL CLINIC

Leeds played the McAdory Yellow Jackets in the annual Dental Clinic. The Jackets scored on their second possession of the night. Leeds answered the challenge and scored on a pass from Jackson to Burkhalter. The Greenies went to half time tied 7-7.

In the second half, Leeds blocked a McAdory punt but did not capitalize on the mistake. The Jackets came back and scored twice before the Greenies could do anything. For the rest of the game, Leeds had to play catch-up. They scored on a 60 yard TD pass from Jackson to Nelms.

The Greenies failed to establish any more threatening drives against the McAdory defense and fell in defeat to the Jackets, 20-14.

We go the extra mile, all over America!

In 1916, Joe Saunders founded the truck renting and leasing industry from a modest office in Omaha, Nebraska. Now, 65 years later and with our national headquarters in Birmingham, Alabama, we are proud of the contributions we've made to communities both large and small, nationwide . . . but we're especially proud of our accomplishments here at home. In Alabama alone, the Saunders System has 22 service centers employing 833 people with an annual payroll of \$15.3 million. We're the nation's third

largest full-service truck leasing firm. We meet our customer's full-service truck lease needs through experienced fleet management, appropriate vehicle specification, superior preventive maintenance programs, driver safety training, 24-hour road assistance, and much more. Our name is known from coast to coast and into Canada, but the heart of our organization is right here in Alabama . . . and that's the way we like it.

SAUNDERS
America-wide and growing.

AUTOGRAPHS

NO
SMOKING

A black and white photograph of a large, diverse crowd of students sitting in bleachers. The students are of various ethnicities and ages, mostly teenagers. They are looking in different directions, some towards the camera, some away. The background is a plain wall with a "NO SMOKING" sign visible at the top. The overall atmosphere is one of a large gathering, possibly a school assembly or sporting event.

*If you look at the people and see
the faces, you will know what
Leeds High School is like — for a
place is no more than it's people.*
